

Brandenburg, established in 1968, is one of the nation's largest turnkey demolition contractors. We specialize in demolition, environmental remediation, asbestos abatement, hazardous material removal, soil remediation, asset recovery, and site preparation. With seven regional offices, our workforce consists of over 600 full-time employees who provide the knowledge and expertise necessary to get your job done safely and efficiently. Brandenburg is the first and only demolition contractor to become an OSHA VPP Star Member.
