## Pharmaceutical Industry

Brandenburg Industrial Service Company has proven itself to be the premier demolition and environmental contractor for the pharmaceutical industry. Projects include specialty work such as demolition, asbestos abatement, environmental remediation, and site preparation for several of the industry's largest corporations.

Brandenburg thrives within the stringent environment of the pharmaceutical industry. This includes the noninterference with active operations, the inherent sensitivity to noise, dust, vibration, and the adherence to strict schedules. The company is also sensitive to your concern regarding privacy. Brandenburg has a proven track record of safely completing projects on time and without incident.

# About the Company

Brandenburg, established in 1968, is one of the nation's premier demolition firms with a staff in excess of 400 full-time permanent employees. The company provides comprehensive asset retirement services for total plant closure as well as selective demolition designed to enhance the efficiency and profitability of ongoing plant operations. Brandenburg self-performs associated services including environmental assessments, remediation, scrap management, site preparation, electrical and mechanical utility construction and relocation, equipment salvage and rigging.

In the commercial sector, Brandenburg provides demolition services for building owners and the real estate development industry. The company specializes in projects which present challenging operational constraints and has developed a proven track record of completing these projects on time and without incident.

Brandenburg's engineering and estimating staff provides diverse backgrounds and industry-specific knowledge to design and implement exacting operational plans which are responsive to customer needs. The company performs extensive project assessment and planning to develop contract terms and specifications which address the unique requirements of each project.

The company has maintained consistent and strong annual growth by focusing on customer service to develop and deliver engineered solutions for asset retirement. Comprehensive technical expertise in safety, environmental, and utilities operations enables Brandenburg to meet demanding project schedules.

Brandenburg is a total quality management company with ISO 9001 certification.

Brandenburg is committed to providing a safe work environment for our employees and our customers. We are the first demolition contractor to successfully complete OSHA's Challenge Program and to be certified as a Star Member in OSHA's prestigious Voluntary Protection Program (VPP).
