

PRACTICING SAFETY:

DEMOLITION | SITE PREPARATION | ENVIRONMENTAL REMEDIATION

Brandenburg's commitment to safety is driven from top management down through the field staff. All personnel are thoroughly trained and provided with the necessary tools and personal protective equipment to perform tasks as efficiently and safely as possible. Brandenburg's safety performance is outstanding and continually exceeds the industry averages.

Practicing Safety

Brandenburg is committed to providing a safe work environment for our employees and our customers. We are the first demolition contractor to successfully complete OSHA's Challenge Program and to be certified as a Star Member in OSHA's prestigious Voluntary Protection Program (VPP). Star Member designation is the highest level of recognition. Brandenburg also participates in various state safety programs such as MNSTAR (Minnesota Occupational Safety and Health Administration).

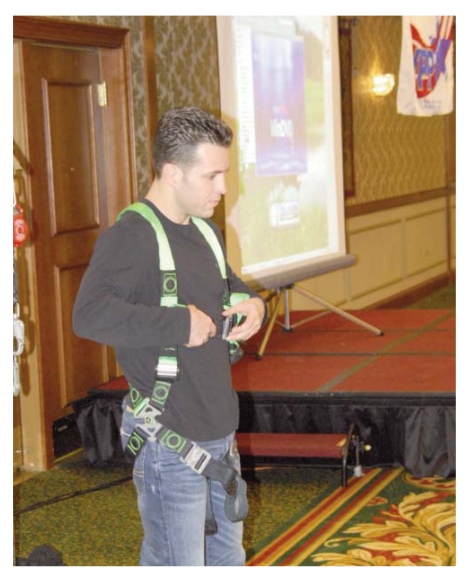

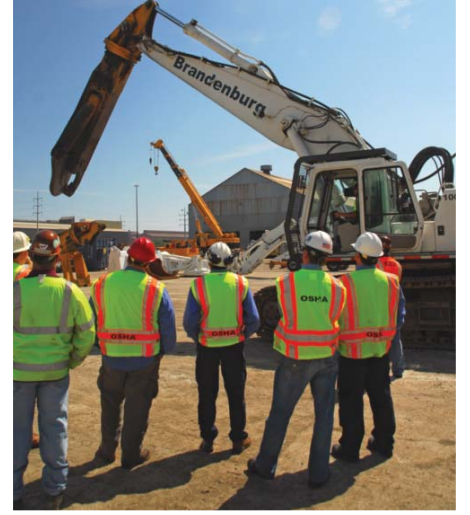

Brandenburg maintains a staff of thirteen safety professionals with backgrounds in civil engineering, industrial hygiene, mining, manufacturing, pharmaceutical, chemical, refinery, and power generation. Our staff also includes a Certified Industrial Hygienist, Certified Hazardous Materials Manager, OSHA Construction Outreach Trainers, two Certified Safety Professionals, two former OSHA compliance officers and four Special Government Employees. Brandenburg personnel actively participate on the National Demolition Association's (NDA) safety committee, serving as Chairmen for more than 10 years.

Brandenburg promotes safe work practices through the use of a safety-based financial incentive program, intensive and continual worker training, and strict enforcement of the written safety program. Our safety efforts have been recognized by many of our customers including Dow, Gilbane, Turner Construction, ConocoPhillips, Sunoco, and BP.

Brandenburg is the first demolition contractor to be certified as a Star Member in OSHA's prestigious Voluntary Protection Program (VPP).

Brandenburg®

Brandenburg is one of the nation's premier demolition contractors. We specialize in demolition, asbestos abatement, hazardous materials removal, soil remediation, excavation, and dynamic compaction. With eight regional offices, our workforce consists of over 400 full-time employees who provide the knowledge and expertise necessary to get your job done safely and efficiently.

The company has maintained consistent and strong annual growth by focusing on customer service to develop and deliver engineered solutions for demolition, environmental remediation, and asset retirement.
