Brandenburg®

PETRO/CHEMICAL INDUSTRY

BRANDENBURG INDUSTRIAL SERVICE COMPANY HAS PROVEN TO BE THE PREMIER DEMOLITION AND ENVIRONMENTAL REMEDIATION CONTRACTOR FOR THE PETRO/CHEMICAL INDUSTRY.

Brandenburg Industrial Service Company has proven itself to be the premier demolition and environmental contractor for the petro/chemical industry. Projects include specialty work such as demolition, asbestos abatement, environmental remediation, and site preparation for several of the industry's largest corporations. Brandenburg excels when working in active facilities that require a strict adherence to sensitive environments, safety control methods, and critical time schedules that are inherent when working in the petro/chemical industry.
