Brandenburg®

PHARMACEUTICAL INDUSTRY

BRANDENBURG INDUSTRIAL SERVICE COMPANY HAS PROVEN TO BE THE PREMIER DEMOLITION AND ENVIRONMENTAL REMEDIATION CONTRACTOR FOR THE PHARMACEUTICAL INDUSTRY.

Brandenburg Industrial Service Company has proven itself to be the premier demolition and environmental contractor for the pharmaceutical industry. Projects include specialty work such as demolition, asbestos abatement, environmental remediation, and site preparation for several of the industry's largest corporations.

Brandenburg thrives within the stringent environment of the pharmaceutical industry. This includes the noninterference with active operations, the inherent sensitivity to noise, dust, vibration, and the adherence to strict schedules. The company is also sensitive to your concern regarding privacy. Brandenburg has a proven track record of safely completing projects on time and without incident.
